Part B: Templates S1–S8 (for the Growfit team)

1 Who we are

Growfit Sports Academy is a registered Non-Profit Company founded in 2023 in Greater Durban. We run U12, U15 and U17 teams in the Greater Durban Football League, training on Wednesdays and Fridays and playing on Sundays. The academy is run by three volunteer coaches. We develop players technically, tactically, physically, mentally and as leaders, and we keep children in sport through the years when many drop out.

What we stand for

- **Every child plays.** Development comes before results, and game time is shared fairly.
- **Every child is safe.** Child Protection & Safeguarding policy under the Children's Act, police-cleared coaches, and POPIA-compliant handling of player information and images.
- **School comes first.** Our Attendance Policy and welfare check-ins mean a child who drops away gets a call, not a penalty.
- **Football opens doors.** We help players toward school sports programmes, scholarships and higher-level teams.

2 What it costs to keep a child playing

Families in our community often can't cover the full cost of a season. Sponsorship closes that gap so no child is turned away.

PER PLAYER, PER SEASON (ESTIMATE)	ZAR
SAFA / league registration and affiliation share	[]
Match kit share (shirt, shorts, socks) and training top	[]
Transport to away matches	[]
Balls, bibs, cones, first-aid supplies (share)	[]
Total per player (used for "Sponsor a Player")	R1,500

Line items to be completed from the academy's actual costs. The R1,500 total is the planning figure used in this pack.

4 What partners get

BENEFIT	DETAIL
B-BBEE socio-economic development	Under the B-BBEE Codes, monetary and non-monetary support for sports development programmes can count toward the Socio-Economic Development element (target: 1% of net profit after tax). It is recognised in full where at least 75% of beneficiaries are black people. Growfit provides a beneficiary confirmation letter (Template S6) and proof of contribution for your verification agency. <i>Your verification agent confirms recognition.</i>
Brand visibility	Logo placement as per package. Social media features. Recognition at matches, the Growfit Youth Cup and in the annual impact report.
Community connection	Grassroots football reaches families across Greater Durban every weekend. Partners are visibly part of that community.
Staff engagement	Volunteering days, a coaching clinic for staff's children, and match-day invitations.
Transparent reporting	Quarterly updates and an annual impact report: players supported, matches played, progress stories (with consent), and how funds were spent.
Tax	Growfit will confirm its SARS status (PBO approval and whether section 18A receipts can be issued for a specific purpose) before any tax benefit is offered. Sponsorship may also be deductible as a business marketing expense. Please check with your tax adviser.

5 Our commitments to partners

- **Child-appropriate partners only.** We do not accept sponsorship from alcohol or tobacco/vaping brands. Licensed betting partners are welcome. Hollywoodbets already supports our kit. On children's kit and material, any partner's branding is limited to name and logo, with no promotions aimed at under-18s, in line with gambling-advertising rules.
- **Children's images are protected.** Sponsors may share academy photos and video only where we have confirmed parent/guardian consent, and never with a child's full name. Children don't appear in a sponsor's own advertising without separate written consent.
- **Money is accounted for.** Funds go into the academy's bank account, are spent on what was agreed, and are reported back. Unused funds are carried forward with the partner's agreement.
- **Agreed in writing.** Every partnership is confirmed in a short agreement (Template S5).

Next step: a 20-minute conversation to match a package to your goals. Contact **[name]** on **[phone]** or **[email]** .

How to use these templates

- **Research first.** Personalise every message: name the person, mention something specific about the business (local branch, past community work, a parent who works there).
- **Start warm.** Begin with parents' employers, local businesses near our pitches, suppliers we already buy from and businesses with B-BBEE targets.
- **Ask for something specific.** Name one package and amount. Offer a smaller option (Squad Partner or Sponsor a Player) in the same message.
- **Follow up once** after 7–10 days (S4). Then move on politely, and keep a tracker of who was contacted, when and what they said.
- **Thank and report.** Send a thank-you within 48 hours (S7) and report on time. Happy sponsors renew.
