1 The idea

School holidays are long, and many working parents in Greater Durban struggle to find safe, active things for their children to do. Growfit already has the coaches, equipment, policies and experience to run good football sessions. A **holiday camp** puts these to work during the weeks with no league football. Children have a great week, families get affordable supervised care, and the academy earns income to support its players all year.

08:30–09:00	Warm-up games: movement, coordination and fun
09:00–10:00	Skill of the day , one theme per day: Day 1 dribbling, Day 2 passing, Day 3 shooting, Day 4 defending & goalkeeping
10:00–10:30	Snack and shade break, plus a short talk (fair play, healthy eating, school and sport)
10:30–11:30	Small-sided games that use the skill of the day

Day 4 ends with a mini-tournament, certificates and a family showcase at 12:15. Every child gets a camp T-shirt and certificate, and awards go to Most Improved, Best Team-mate and Skill Star.

Who it's for

- **Any child aged 6–14**, beginner or experienced, boys and girls. Children are grouped by age and ability.
- **Growfit players** get a 15% discount and help as junior assistants if they're 14–15 years old.
- **5 bursary places per camp** for children from families who can't pay, offered through local schools and community partners. Sponsors can fund extra places at R850 each.

Break-even and decision point

- The camp breaks even at about **32 paying children**.
- Two weeks before the camp, if fewer than 28 children are booked, the camp is shortened to 3 days or cancelled with full refunds.
- A sponsor covering T-shirts (R4,300) raises the surplus to about R10,900.

Planning estimates. Confirm the venue, T-shirt and insurance quotes before the first camp.

3 The Programmes & Camps Coordinator

This is one of Growfit's three open seats. The camps give the role a clear purpose and a stipend, which makes it easier to recruit for.

AREA	RESPONSIBILITIES
Planning	Set camp dates around the KZN school calendar. Book the venue, first aider and insurance. Order T-shirts and snacks.
Bookings & money	Run bookings and payments by EFT or SnapScan, keep the register, issue invoices and refunds, and manage bursary places with schools.
On the day	Run sign-in and sign-out, keep the register, handle parent contact and support the head coach.
Reporting	Within two weeks after each camp: attendance, finances, feedback survey and incidents.
Requirements	Organised, good with parents, police/CPR Part B clearance, available in the holidays. Stipend: R1,500 per camp.

4 Safety & safeguarding

Camp children are not all Growfit members, so every camp has its own registration, consent and collection rules.

AREA	HOW IT IS HANDLED
Registration & consent	Every child has a completed registration form before Day 1: parent consent, medical information, allergies, emergency contacts, authorised collectors and photo consent.
Collection	Children are signed out only to adults named on the form, and ID is checked if the coach doesn't know the person. There is a clear process if no one collects a child.
Staff	All coaches and helpers hold police/CPR Part B clearance. Junior assistants (14–15) are always supervised and never alone with younger children. Ratio: one coach to at most 12 children.
Medical	First aider on site all day. Allergy list held by each group coach. Heat plan with shade, water breaks and lighter sessions in hot weather. Concussion rule: "if in doubt, sit them out".
Safeguarding	A named safeguarding lead at every camp. Toilets are visited in pairs or with a same-gender adult nearby. Concerns are reported under Growfit's Child Protection & Safeguarding Policy.
Photos (POPIA)	Only children with photo consent appear in photos, and never with full names. Camp registration data is kept securely and deleted 12 months after the camp unless the family joins the academy.

5 Timeline for each camp

WHEN	TASK
8 weeks before	Dates set, venue and first aider booked, flyer designed, bursary places offered to schools
6 weeks before	Bookings open: WhatsApp broadcast, school newsletters, social media, posters at local shops
2 weeks before	Decision point (28+ bookings). T-shirts and snacks ordered. Coach plan finalised
3 days before	Welcome message to parents: times, what to bring, collection rules
After the camp	Thank-you message, feedback survey, finances and attendance report, invitation to join Growfit trials

Bonus for the academy: camps are the best recruitment channel there is. Children who enjoy camp, and their parents, are invited to Growfit trials and become future players, volunteers and supporters.
