FUNDRAISING PLAYBOOK · OCTOBER 2026

Community Fundraising Playbook

Six fundraising ideas that parents, players and the community can run together. Each one has a step-by-step plan, a budget, the rules to follow and ready-to-use templates.

~R80,000

Potential net income a year if all six run

~R30,000

Equipment value from the boot drive and kit swap

6

Ideas, each with templates

The six ideas at a glance

#	IDEA	WHEN	EFFORT	NET INCOME (EST.)
1	Parents' business directory: paid listings for parents' and supporters' businesses	Start of season	Low	R11,300 / year
2	Corporate 5-a-side challenge (or family fun run)	Once a year	Medium	R19,400 (fun run R12,600)
3	"Buy a brick" equipment wall: donors buy named bricks that each fund an item	Any time; 8-week campaign	Low	R24,700
4	Quiz night or braai day	Once or twice a year	Medium	R10,500–R12,700 each year
5	Kit swap: families pass on outgrown kit and boots	End and start of season	Low	~R1,000 + family savings
6	Old-boots drive: collect used boots for a lending "boot bank"	Any time; 6-week drive	Low	~R30,000 in kind

All figures are planning estimates and will be updated after the first run of each idea. Together with the holiday camps (about R26,000 a year, separate proposal), community fundraising could raise about **R100,000 a year** without relying on a single large sponsor.

Rules for every idea

- **Money goes straight into the academy account** (EFT / SnapScan). Any cash is counted by two people, signed for, and deposited within 2 working days.
- **Children's photos** only with media consent, and never with full names.
- **Donor and participant details** (POPIA) are used only for the event and receipts, and never shared or sold.
- **No raffles or lucky draws** without first checking the Lotteries Act rules with the National Lotteries Commission. Auctions of donated items and ticketed events are fine.
- **No alcohol sales** by Growfit. Events are alcohol-free, or the venue's own licensed bar is responsible.
- Each event gets a **short report** afterwards: income, costs, net, lessons, thank-yous.

1 Parents' business directory

Many Growfit parents and supporters run businesses: plumbers, hair salons, caterers, taxi owners, accountants, spaza shops. A **Growfit Business Directory** lists them for the whole Growfit community, with a printed copy handed out at matches and a digital version shared as a link or PDF. Listing fees support the academy, and families support each other's businesses.

How it works

1. Announce at the parent meeting and on WhatsApp. Collect listing forms (P1) over 3 weeks.
2. A volunteer designs the directory: one line per standard listing, a box with logo per featured listing.
3. Print 200 copies. Share the PDF link with all parents, players' families and partner clubs.
4. Update every 6 months, with listings running 12 months.

Numbers

Standard listing: 30 × R300 / year	9,000
Featured listing (logo): 5 × R750 / year	3,750
Printing 200 copies	(1,500)
Net per year	R11,250

Rules: listings must be legal and suitable for a children's organisation (no alcohol or tobacco products; listings must not promote betting to children). Growfit doesn't endorse or guarantee any business, and the directory says so. Businesses consent to their details being published.

TEMPLATE P1 · DIRECTORY LISTING FORM

Business name	
Category	☐ Trades ☐ Food & catering ☐ Beauty ☐ Transport ☐ Professional ☐ Retail ☐ Other
One-line description (max 15 words)	
Phone · WhatsApp · email	
Area / address (optional)	
Listing type	☐ Standard R300 ☐ Featured with logo R750
Connection to Growfit	☐ Parent ☐ Family ☐ Supporter ☐ Sponsor
☐ I consent to these business details being published in the Growfit Business Directory (print and digital). Payment by EFT, reference DIR + business name .	

2 Corporate 5-a-side challenge (or family fun run)

A Saturday-afternoon **5-a-side tournament for company teams** at an indoor arena or on a school field. Businesses pay to enter a team of staff, compete for the "Growfit Corporate Cup", and support youth football at the same time. It's a team-building day for them and a fundraiser for us. Growfit coaches referee or manage, and older players help run the event.

How it works

1. Book the venue 10 weeks before and secure an event sponsor.
2. Invite 25–30 companies (P2): parents' employers, suppliers, sponsors, local businesses.
3. 12 teams of up to 8 staff. Mixed teams encouraged. 4 groups of 3, then semi-finals and a final (15 matches).
4. Food and drinks for players included. Trophies for the winners and the "Best Dressed Team".

Numbers (12 teams)

Team entries: 12 × R2,500	30,000
Event sponsor	5,000
Venue (4 hours)	(4,000)
Referees: 15 × R150	(2,250)
Food & drinks for players	(5,000)
Trophies & medals	(1,500)
First aid	(1,000)
Banners & printing	(500)
Contingency (10%)	(1,400)
Net	R19,350

Alternative: Growfit Family Fun Run / Walk (5 km)

A 5 km run or walk on a **closed route in a park, school or estate**, not on public roads. Public roads need municipal and Metro Police permits and full event-safety planning. Entry is R100 per adult and free for children under 10. **Numbers:** 200 entries R20,000 + sponsor R5,000, less medals R5,000, water R2,000, first aid R1,500, venue and permissions R2,000, signs and bibs R800 and contingency R1,100 = **net about R12,600**.

TEMPLATE P2 · CORPORATE TEAM INVITATION (EMAIL)

Subject: Enter a team in the Growfit Corporate Cup: 5-a-side for youth football

Hi **[Name]** ,

Growfit Sports Academy, a non-profit youth football academy in Greater Durban, is hosting the **Growfit Corporate Cup** on **[date]** at **[venue]** : an afternoon of 5-a-side for company teams.

🏆 Up to 8 staff per team, 3+ matches, food & drinks included. A great team-building afternoon, and every entry funds kit, equipment and transport for our young players. 📄 Entry R2,500 per team (B-BBEE SED letter on request). Only 12 places, so reply by **[date]** !

[Name] · Growfit Sports Academy NPC · **[phone]**

3 "Buy a brick" equipment wall

A visual campaign: a printed **wall of 90 bricks** (on a banner at home matches, and online as an image updated weekly). Each brick funds a real piece of equipment. When someone buys a brick, it is coloured in with their name, or "Anonymous" if they prefer. People love watching the wall fill up, and the target is easy to understand.

Brick prices

BRICK	FUNDS	TARGET
R100 · White	A set of training cones	40
R250 · Red	A match ball	30
R500 · Black	A set of bibs and a pump	15
R1,000 · Silver	A goalkeeper kit (gloves, top)	4
R2,500 · Gold	Part of a portable goal	1
Wall total (90 bricks), less R800 banner		R24,700

How it works

1. Print the wall banner (R800) and make a shareable image.
2. Launch at a home match with the first bricks bought by coaches and parents. A full row early creates momentum.
3. Post the wall every Friday ("23 bricks to go!"). Share in family, church and work groups.
4. Run for 8 weeks. Celebrate when the wall is full, then show a photo of the equipment bought.

Names appear on the wall only with the donor's consent. Children's names are never used.

TEMPLATE P3 · BRICK ORDER SLIP & SOCIAL POST

Name to show on the brick ☐ As written: _____ ☐ "Anonymous" _____

Brick ☐ R100 ☐ R250 ☐ R500 ☐ R1,000 ☐ R2,500 Qty: _____

Phone / email (for receipt) _____

EFT to **[bank details]** , reference **BRICK + surname** .

 **Help us build the Growfit wall!** Every brick buys real equipment for our young players: R100 = cones · R250 = a match ball · R500 = bibs & pump. **[X] of 90 bricks done!** 🙌 **[link]** #GrowfitFA

4 Quiz night or braai day

Growfit Quiz Night

Teams of up to 8 at R100 per person. Six rounds of 10 questions (sport, music, general knowledge, Durban, a picture round and a "Growfit" round), led by a volunteer quizmaster. Food is sold separately, and local businesses donate prizes.

15 tables × 8 × R100	12,000
Food sales profit	2,500
Venue (school or church hall)	(1,500)
Printing & answer sheets	(300)
Net	R12,700

Growfit Family Braai Day

Held after a home match or on a Saturday. Ticket R150 for a plate (meat, pap, chakalaka, salad) and a cooldrink. Music and a parents-vs-players match. Ask a butcher to supply the meat at cost or donate it.

150 tickets × R150	22,500
Food cost (R70 per plate)	(10,500)
Venue	(1,000)
Wood, gas & consumables	(500)
Net	R10,500

Make it work

- **Sell tickets in advance** (EFT), so food is ordered for a known number and nothing is wasted. Close sales 5 days before.
- **Extra income without a raffle:** an auction of donated items (a signed shirt, a restaurant voucher, a free car wash) and a "heads or tails" game for a donated prize.
- **Food safety:** volunteers handling food wear gloves, meat is kept cold until cooking, and there are hand-wash points.
- **Alcohol:** Growfit doesn't sell alcohol. Choose an alcohol-free event, or a venue with its own licensed bar that is responsible for it.

TEMPLATE P4 · EVENT FLYER / WHATSAPP

🔥 GROWFIT FAMILY BRAAI DAY 🔥 / 🧠 GROWFIT QUIZ NIGHT 🧠

📅 [date, time] · 📍 [venue]

🎫 [R150 per plate / R100 per person, tables of 8] , tickets in advance only

🎉 [Parents vs players match · music / 6 rounds · prizes · food on sale]

Every ticket supports our U11, U13 & U15 players 🏆 Book by [date] : [number / link]

5 Kit swap

Children outgrow boots, shin pads, tracksuits and training kit every season. A **Growfit Swap Shop** at the end of the season and again at pre-season lets families pass on what no longer fits and pick up what does. It saves families money and keeps good kit in use. Income is small. The real value is savings for families and a stronger community.

How it works

1. Announce 3 weeks ahead. Families bring **clean** items in good condition.
2. Every item brought earns a token, and each token can be swapped for any item.
3. Families who have nothing to swap can take items for a **R20 donation** per item, or for free on request, no questions asked.
4. Items left over go to the boot bank (idea 6) or a partner club or school.

Rules

- Items must be clean, washed and safe (no broken studs or torn shin-pad straps).
- No used socks or underwear. New ones only.
- Sort by size on labelled tables: kids' sizes and adult S–M.
- Two volunteers run the table and handle any cash.

TEMPLATE P5 · SWAP SHOP NOTICE

 **GROWFIT SWAP SHOP**  **[date]** after training at **[venue]** . Outgrown boots, shin pads, tracksuits or training kit? Bring them **clean** and swap for the next size up! No items to swap? Take what you need for a R20 donation, or ask us quietly. Leftovers go to our boot bank.  

6 Old-boots drive & boot bank

Good boots are expensive, and some children train in takkies or borrowed pairs. A 6-week **Old Boots Drive** collects used boots from the wider community (gyms, schools, offices, churches, sports shops), and they go into a **Growfit Boot Bank**. Players borrow a pair that fits for the season and return it when they outgrow it.

How it works

1. Place labelled collection boxes at 4–6 partner sites (P6 request). Collect weekly.
2. Clean, check and sort by size. Repair or discard unsafe pairs.
3. Record each pair in a simple boot-bank list (size, condition, who has it).
4. Lend for free to players who need them.
Coaches refer quietly, and no one is singled out.
5. Share surplus pairs with partner clubs and schools.

Target & value

100 pairs

Target over 6 weeks

~R30,000

Estimated value at ~R300 per used pair

A sports shop partner may also offer discounted new boots or donate end-of-range stock. Ask with Template S8 (Sponsorship pack).

TEMPLATE P6 · DROP-OFF POINT REQUEST & BOX POSTER

Hi **[Name]**, Growfit Sports Academy, a non-profit youth football academy in **[area]**, is collecting old football boots for young players who can't afford them. Could we place a small collection box at **[business / school]** from **[date]** to **[date]**? We'll collect weekly, and we'll thank you on our social media. 🙏 **[Name, phone]**

GOT OLD FOOTBALL BOOTS?

Drop them here for **Growfit Sports Academy's Boot Bank**. Every pair helps a young player train properly.
Any size, clean and with studs intact please. Thank you! ⚽
