1 The opportunity

Growfit Sports Academy is a registered non-profit company founded in 2023 in Greater Durban. In **[month]** 2027 our **U15 and U17 squads** have the chance to compete at **[tournament name]** in **[city]**, Gauteng, against **[number]** teams from **[across South Africa / the region]**.

For most of our players, this would be their first time competing outside KwaZulu-Natal, and for some their first trip away from home. A tournament like this matters in youth football:

- **Higher competition** against strong club and academy sides from other provinces.
- **Visibility** in front of scouts, school sports programmes and higher-level clubs. This matters most at U17, the age when players step toward senior and professional football.
- **Life experience:** travelling as a team, discipline, independence and representing their community.

Families in our community cannot cover the full cost of a trip like this. Without sponsors and donors, most of these players simply won't go.

Who we are

Growfit runs competitive teams in the Greater Durban Football League. We are governed by eight adopted policies, including Child Protection & Safeguarding (Children's Act 38 of 2005), Injury & Medical Emergency, and Codes of Conduct for players, coaches and parents. Every player is SAFA-registered and every coach is police/CPR Part B cleared. Our focus is development: every player plays, and school comes first.

2 What the tour costs

Planning estimates for **42 travellers** (36 players and 6 staff/chaperones) over 5 days and 4 nights. Every line will be replaced with written quotes, and any saving reduces the amount we raise.

ITEM	BASIS	ZAR
Travel & stay		
Return intercity bus tickets	Scheduled coach (e.g. Intercape / Greyhound), Durban–Gauteng return, daytime departures, group booking · 42 × ~R1,300	54,600
Local transfers in Gauteng	Shuttle/minibus hire: bus station ↔ lodge, and lodge ↔ venue daily · ~R4,000/day × 4	16,000
Accommodation	Group lodge, ~R250 per person per night incl. breakfast × 42 × 4 nights	42,000
Meals	Lunch & dinner ~R150 per person per day × 42 × 5, plus travel snacks	34,000
Tournament		
Tournament entry fees	2 teams × [R5,000]	10,000
New custom kit & team wear		
Custom match kits, home & away	Sublimated shirt, shorts and socks with names, numbers and sponsor logos · 2 squads × 20 sets × 2 colours × ~R450	36,000
Travel & uniform wear	Per traveller: tracksuit, travel polo, training top, kit bag (~R1,420) × 42	59,600
Safety & support		
Medical & insurance	Travel accident cover for 42 travellers, first-aid restock	7,800
Equipment	Match balls, bibs, water bottles, ice packs, strapping	5,000
Admin	Consent packs, communications, documents	1,500
Contingency	10%	26,700
Total tour budget (travel by intercity bus)		R293,200

Travel option: flying. Return flights Durban–Johannesburg cost roughly **R2,800 per person** (group fare, booked early), or R117,600 for 42 travellers instead of R54,600 by bus. That brings the total to about **R362,500**. Flying cuts the journey from about 8 hours to about 1 hour each way. We'll fly only if an airline or travel partner provides tickets in kind or at a reduced rate.

The bus budget works out to about R7,000 per traveller. The new kit and team wear (R95,600) **stays with the academy and players after the tour**: match kits are used for the next two seasons, and travel wear for all future away fixtures.

3 How we'll fund it

No single funder has to carry the whole cost. The tour is funded from four sources, and families contribute what they can.

SOURCE	HOW	TARGET
Business sponsorship	Partner packages (Section 4), in cash or in kind (tickets, lodge, kit)	190,000
Donations & crowdfunding	"Sponsor a Player's Tour" appeal to family, community, diaspora, faith and community organisations	45,000
Family contributions	R1,000 per player, payable in instalments. Waived quietly for families who can't pay, so no child stays behind for money.	30,000
Fundraising events	Quiz night or braai day, a corporate 5-a-side challenge and a "buy a brick" campaign	28,200
Total		R293,200

Go / no-go and what happens to the money

- **Decision point: 8 weeks before departure.** The tour goes ahead when at least 85% of the budget is in the bank or confirmed in writing, and travel and accommodation are booked.
- **If we fall short:** first reduce the cost (fewer travel-wear items, a cheaper lodge, one kit colour), then take one squad only. Donors and sponsors are told and asked how they'd like their gift used.
- **If the tour doesn't happen:** sponsors and donors can choose a refund or let their gift go to kit and equipment for the academy. Family contributions are refunded in full.
- **Any surplus** goes to the academy's player-support fund and is reported to all funders.
- All money goes into the academy's bank account under the reference "TOUR", is tracked separately, and is reported in a **post-tour financial report**.

Why partner with us

Visibility in two provinces	Your brand on the kit and tracksuits in Gauteng, at every away fixture in KZN afterwards, and in tour content shared by families and partner clubs.

Tax certificates (section 18A) are only issued if Growfit holds 18A approval and the gift qualifies. Please check with your adviser.

5 Keeping players safe on tour

Taking 36 young people on an overnight trip to another province is a big responsibility. These rules apply from departure to return and are explained to parents and players before anyone signs up.

AREA	RULE
Consent	Signed parent/guardian consent and indemnity, medical form, emergency contacts, copy of the player's ID or birth certificate, and a media-consent choice for every player. No form, no travel.
Supervision	6 police-cleared adults for 36 players (1 : 6), with a named tour leader , a safeguarding lead and a first aider . If any player is female, a female chaperone travels.
Rooms	Players share rooms by age group and gender. Adults never share a room with a player. Chaperones' rooms are on the same floor. Lights-out and room checks every night.
Travel	Scheduled, licensed bus operator (or airline). Daytime departures only , with all 42 travellers booked together and seated as a group, chaperones spread through the group, and seatbelts on. A headcount at boarding, every stop and arrival. Only licensed shuttle operators are used in Gauteng.
Conduct	Tour code of conduct signed by players and parents. Nobody leaves the group without an adult. Zero tolerance for alcohol, smoking/vaping or bullying. A clear process if a player has to be sent home.
Medical	Medical forms carried by the first aider. Nearest hospital and clinic mapped for each venue. Travel accident insurance for all travellers. Parents called straight away for anything more than minor first aid.
Communication	Daily WhatsApp broadcast to parents: arrival, results, wellbeing. One emergency number answered 24/7 by the tour leader.
Photos (POPIA)	Only players with media consent appear in sponsor and social content, and never with full names. Player details are never shared with sponsors.
